CLARIFICATION No. 3

No.	Request	Answer
1	<p>The expression of interest requires: <i>list of key specialized personnel with mini bios which should summarize each expert's academic qualifications, affiliations, key country/project experience and a declaration regarding their availability for the project</i></p> <p>Whereas, on REOI - III.2.2 Consultant's Staffing, it is required: <i>the Consultant will present along with the technical proposal the supporting documents: the CV, diplomas and authorizations, recommendations, references or any other relevant documents in copy with the mention "in accordance with the original".</i></p> <p><u>Can we consider that only a short bio for the key experts is the information to be submitted at this stage?</u></p>	<p>As stated in REOI, in this stage of the selection procedure the key experts will not be evaluated.</p> <p>The Consultant must provide a list of specialized personnel. For each key expert you should consider a short bio as long as the information provided is sufficient and relevant in order to demonstrate the experience and qualifications requested related to the subject matter of the Consultancy.</p>
2	<p>With reference to III.2.2 Consultant's Staffing, it is required: The number and level of effort for all experts shall be listed in the technical proposal and their costs included in the financial proposal.</p> <p><u>If we are not mistaken, this information should concern the second stage as no technical or financial proposal is now required. Could you please confirm?</u></p>	<p>We confirm your understanding.</p>
